

# DEX HD

## Big Impact, Small Footprint

The Dex HD by Amigo Mobility combines strength and durability with a compact design. Engineered with safety in mind, it can fit through narrow spaces and give maximum visibility. The Dex HD has a tow capacity of 2,500 lbs with a footprint of just 53" x 28". Its universal hitch allows it to move a variety of items around your facility.

Custom, affordable trailer options available, contact your local dealer for information.
